

Announcement

AERCAP-CHULA ENGINEERING (ISE AEROSPACE) SCHOLARSHIP PROGRAMME

AerCap, the global leader in aircraft leasing and the largest owner of commercial aircraft in the world, will award scholarships to 10 Aerospace Engineering students, commencing from academic year 2021. Four scholarships will be awarded to first-year students for four academic years, and six scholarships to third-year students for two academic years.

The value of scholarship covers: Chulalongkorn University tuition fees, Programme fees and Chula Engineering industrial training fee.

Fourth-year scholarship students may undertake a research project in collaboration with AerCap on a research topic, to be approved by AerCap.

Eligibility

First-Year Scholarships: Eligible scholarship applicants must be first-year full-time Thai students in the Aerospace Engineering Programme.

Third-Year Scholarships: Eligible scholarship applicants must be third-year full-time Thai students in the Aerospace Engineering Programme, who have earned no less than 72 credits, and have GPAX > 3.00.

Obligations

AerCap reserves the right to withdraw its scholarship if scholarship holders are subsequently found to be ineligible or if these terms and conditions are not adhered to.

As an AerCap–Chula Engineering (ISE Aerospace) scholarship holder, you must:

- Inform the scholarship selection team of any other scholarships or sponsorship currently held, or awarded at a later date. The scholarship may be adjusted or withdrawn if other sources of funding have been awarded.
- Seek permission and obtain consent from the scholarship selection team before making any changes to your programme of study. This includes course transfers, suspending studies, etc.
- Make satisfactory progress on your programme of study.
- Repay the scholarship amount, pro-rata, (i) if you withdraw from Aerospace Engineering programme before completion or (ii) if you do not adhere to the terms and conditions set out herein.
- As noted at the outset of this application announcement, if requested by AerCap or Chulalongkorn University, fourth-year scholarship students will undertake a research project in collaboration with AerCap on a research topic which is approved by AerCap.
- Agree to act in an ambassadorial capacity, to provide student profiles or testimonials if requested by AerCap or Chulalongkorn University
- Agree to AerCap and Chulalongkorn University contacting you during the period approximately two years after your graduation for an update on how the scholarship has influenced your career
