CONSULTING BY DEGREES

IBM is the largest technology and consulting employer in the world, serving clients in 170 countries. In this new era of Cognitive Business, IBM is helping to reshape industries by bringing together our expertise in Cloud, Analytics, Security, Mobile, and the Internet of Things. We are changing how we create. How we collaborate. How we analyse. How we engage. IBM is a leader in this global transformation so there is no better place to launch your career.

IBM's consulting business is looking for bright and inspired graduates to join Consulting by Degrees, our world-class development program. A 2 year program designed to help new consultants become tomorrow's leaders.

The Consulting by Degrees program targets high performers and provides focused training, one-on-one mentoring, career guidance, and practical experience to help you gain the expertise and know-how that you need to become tomorrow's leaders.

As an IBM Consultant, you'll help your clients transform their businesses by helping them to see new opportunities, respond to change and find smarter ways of operating.
