They are made.**

BOSCH

Invented for life

ROBERT BOSCH AUTOMOTIVE TECHNOLOGIES (THAILAND)

The Bosch Group, a German company founded in 1886 by Robert Bosch, is a leading global supplier of technology and services, active in the fields of Mobility Solutions, Industrial Technology, Consumer Goods, and Energy and Building Technology. For our new plant in Rayong, we are looking for a

Junior Managers Program (Trainee) Manufacturing 2 positions

During a period of 18 to 24 months, you complete four to six assignments in your functional area, including one placement abroad. You are actively involved in day-to-day business and projects as well as benefiting from professional and individual guidance. We help you choose the right combination of assignments to match your interests and skills. In other words, you can let us know the departments, divisions and locations where you would like to learn and exercise leadership expertise. You can count on your mentor for professional guidance along the way.

For our manufacturing area, we are looking for outstanding graduates with leadership potential, passion for technical details and a creative approach to problem solving. You can demonstrate your abilities in Production Planning and Control, Process Development, Lean Manufacturing or Quality Management.
