

Why sub-major?

To provide more effective learning that suits Nano student's determination, skill, interest, and capability to learn

When?

- **Select sub-major:** at the end of the 2nd academic year
- **Switch of sub-major:** after the selection of the sub-major and having been assigned to the sub-major for at least 1 semester

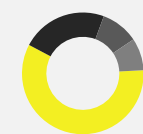

The selection of and the switch in sub-major (Curriculum 2017)

Nano Engineering

How?

- Complete a request form for sub-major selection/change
- Get your advisor's comment and signature
- Submit the form at ISE Office
- Take an interview from Nano Committee

How many times?

You can request to switch your sub-major

ONLY ONCE

Our decision is based on...

- Number of students in each sub-major
- GPAX
- *(for sub-major switch only)* Interview result
