4. **Application Process and Packet**

   4.1. **Application Process**

   Applicants who meet all requirements listed in *item 1* must apply online through the website as detailed below.

   4.1.1. Complete the application form at http://www.ise.eng.chula.ac.th.

   4.1.2. Validate the form data and click "save" (the applicant cannot make any change after the form has been saved).

   4.1.3. Print out the completed application form and submit together with the application packet from *item 4.2* and a non-refundable application fee of 1,000 baht (cash only) at the International School of Engineering (ISE) office, Room 107 Building 2, Faculty of Engineering, **from November 25 – December 24, 2019**, 8:30 a.m. - 12.00 p.m. and 1:00 p.m. – 4:00 p.m., with the exception of public holidays.

   For further information, please contact ISE Office at Room 107 Building 2, Faculty of Engineering, Tel: +66-2218-6422 – 4.

The applicants must verify that they meet all requirements according to this announcement and that all the provided information is true and correct. If there is any mistake from the applicants or the application packet does not meet the requirements, the applicants will be disqualified.

4.2. Application Packet

4.2.1. Completed application form to the Bachelor of Engineering International Program, Faculty of Engineering for the Academic Year 2020 (Early Admissions). (Hard Copy)

4.2.2. Three 1-inch-sized photographs

- Taken full-face view directly facing the camera

- Student uniforms or polite attire should be worn in your photos

- Hats and sunglasses are not allowed

- All three photographs were taken in the same attire

4.2.7. A certified copy and an original document of a certificate of name/surname change (if any)

The applicants must ensure that all documents listed above are included in the application packet. An incomplete application packet will not be considered in any circumstances.

Submitting the application form means that the applicants have already checked their eligible requirements. Therefore, no refund will be made after the application has been submitted.

5. Selection Process

Applicants short-listed for the interview will be announced on **December 27, 2019,** at the International School of Engineering (ISE) office, Room 107 Building 2, Faculty of Engineering, Chulalongkorn University, and on http://www.ise.eng.chula.ac.th.

The announced number of applicants eligible for interview may be greater than the intended number of admitted students to the program due to the expectation of not showing for the interview and not confirming the enrollment by some applicants.

5.3. Interview

Applicants who are eligible must attend the interview conducted in English on **January 3-5, 2020, from 9:00 a.m. – 4:00 p.m.** at the Faculty of Engineering, Chulalongkorn University. Applicants not attending the interview on the specified date will be considered as waiving their rights for admission.

5.4. Evaluation criteria

The Faculty of Engineering evaluates the applicants who will be eligible to enroll and select their study program based on the criteria and required documents listed in *item 4.2* and the interview result, using the weight assigned to each requirement as follows

5.4.1 GPAX	5 %
5.4.2 English Proficiency Test Scores	20 %
5.4.3 Mathematics Proficiency Test Scores	30 %
5.4.4. Science Proficiency Test Scores	40 %
5.3.5 Interview Result	5 %

5.5. Successful candidates Announcement

The list of successful candidates who are eligible to select their study program will be announced on **January 10, 2020,** at the International School of Engineering (ISE) office, Room 107 Building 2, Faculty of Engineering, Chulalongkorn University, and on http://www.ise.eng.chula.ac.th.

The number of selected applicants will be following the intended number of admitted students as announced or more, in case that those selected applicants in the lowest ranking eligible for program selection have the same score.

5.6. Program selection

Successful candidates, **including wait-list,** who are eligible for program selection must select their study program **from January 11, 2020, 8:30 a.m. to January 12, 11:59 p.m.** via http://www.ise.eng.chula.ac.th. The eligible applicants not selecting their

program on the specified date will be considered as waiving their rights for admission. The program selection criteria are according to the attached document.

5.7. Enrollment confirmation

Successful candidates who are eligible for program selection **must confirm their enrollment in person on January 15, 2020, from 9:00 a.m. – 12:00 p.m. at the International School of Engineering (ISE) office, Room 107 Building 2, Faculty of Engineering, Chulalongkorn University. Selected applicants who fail to report their enrollment confirmation will be considered as waiving their rights for admission. The faculty will announce the additional successful applicants who are eligible for program selection according to their ranking until the intended number of admitted applicants is reached on January 15, 2020,** 4:00 p.m. The additional successful applicants must select their study program **from January 15, 2020, 4:00 p.m. to January 16, 8:30 a.m.** via http://www.ise.eng.chula.ac.th/ and confirm the enrollment on **January 16, 2020,** 1:00 p.m. – 4:00 p.m. (if any)

This additional announcement shall be considered as the end of the selection process. There will be no more additional successful candidate announcement in any circumstance.

5.8. Selected applicants Announcement

Selected applicants will be announced on **January 30, 2020,** at the International School of Engineering (ISE) office, Room 107 Building 2, Faculty of Engineering, Chulalongkorn University, and on http://www.ise.eng.chula.ac.th. **The selected applicants must also report their online enrollment confirmation (round 1) through the TCAS system during January 30-31, 2020, according to the Council of University President of Thailand. Selected applicants who fail to report their enrollment confirmation during the specified period will be considered as waiving their rights for admission to the Bachelor of Engineering International Program for the Academic Year 2020 (Early Admissions).** (For further information regarding the enrollment confirmation report through the TCAS system, please visit http://www.mytcas.com)

In case the number of selected applicants who successfully report their enrollment confirmation through TCAS is less than the intended number of admitted students, the remaining seats will be added to the next admission round for the Academic Year

2020. This shall be considered as the end of the selection process. There will be no more additional selected applicant announcement in any circumstance.

5.9. Waiving the right to enroll through TCAS system

The selected applicants to the Bachelor of Engineering International Program for the Academic Year 2020 (Early Admissions) who already reported their enrollment confirmation through the TCAS system during January 30-31, 2020, but wish to waive the right to enroll, could do so through the TCAS system during February 1-2, 2020 (Round 1 Right waiving).
