## <u>FULL SCHOLARSHIPS in Artificial Intelligence</u>

The UAE government recently established the Mohamed Bin Zayed University of Artificial Intelligence (**MBZUAI**), the world's first institution dedicated to the study and research of artificial intelligence, in the capital city, Abu Dhabi.

MBZUAI is offering **full scholarships** with monthly stipend, health insurance and accommodation to outstanding students who are interested to pursue their **Masters and PhD degrees in the field of Artificial Intelligence**. This initiative offers a unique opportunity for fresh graduates and those wanting to advance their skill set at one of the most heavily-invested AI environments in the world.

The launch of MBZUAI video: https://www.youtube.com/watch?v=ccrbvLG4JYw. Please kindly refer to the attached MBZUAI brochure for programs detail or visit MBZUAI website at www.mbzuai.ac.ae

For interested students or candidates, **please submit inquiry at www.iie.org/mbzuai** or contact Southeast Asia region officer (below) to arrange an online meeting session to discuss further detail about the programs and scholarship opportunities.
